Who we are & what do we do?

On time, On budget and Fully qualified trades!

Established in 1993, D&P General Building & Maintenance Solutions is a dynamic company specialising in designing, building and maintaining.

D&P General can meet your requirements, Extensions, Refurbish, Loft & Garage conversions, Repairs & Maintenance on both domestic and commercial contracts.

Our commitment to quality is demonstrated through the large clientele which includes:

- 30 Schools within the North Tyneside area
- Commercial premises including factories and retail outlets
- Domestic properties including loft conversions and extensions

Our aspiration is to provide a comprehensive building & maintenance service to our current and new potential clients; while succouring a sound working partnership with already satisfied customers.
